Adding value to trash

WE TURN
PLASTIC WASTE
INTO
SUSTAINABLE,
DURABLE &
WATERPROOF BAGS

ABOUT

Waste is not waste until you waste it.
This is what Reform Africa stands for.

With locally sourced resources from the rural areas in Uganda, we produce bags that give you comfort and safety anytime, anywhere.

Founded by three ladies who have been affected by the plastic waste catastrophe in one way or another, we are dedicated to ensuring our environment is sustainable and safe.

BUY ONE BAG – GIVE ONE BAG

By subsidizing the bags by our customers, we are able to give either a backpack or pencil case to a school kid in rural Uganda for free.

We are working with Primary Schools in Mpigi and the Kankobe Childrens Home, an Orphanage in Masaka. By the end of every month, we deliver our bags to the schools and families in need.

For every sold Backpack or Shopper – we are donating a Backpack. For every sold Crossbody Bag, Fanny Pack or Toiletry Kit – we are donating a Pencil Case.
