Video & Photography Fellow
at the Social Innovation Academy (SINA) in Uganda

About us (Social Innovation Academy)

The Social Innovation Academy (SINA) empowers marginalized youth and disadvantaged communities in Uganda to create their own solutions in form of social enterprises with positive impact on the society and the environment. Youths are in charge of themselves and organize themselves in self-organized and free responsible community hubs. Skills and experiences are gained through taking over responsibilities, leading the community through self-management. Scholars become changemakers applying learning directly to turn challenges into solutions and leave with their own jobs established. To find out more, visit: www.socialinnovationacademy.org
